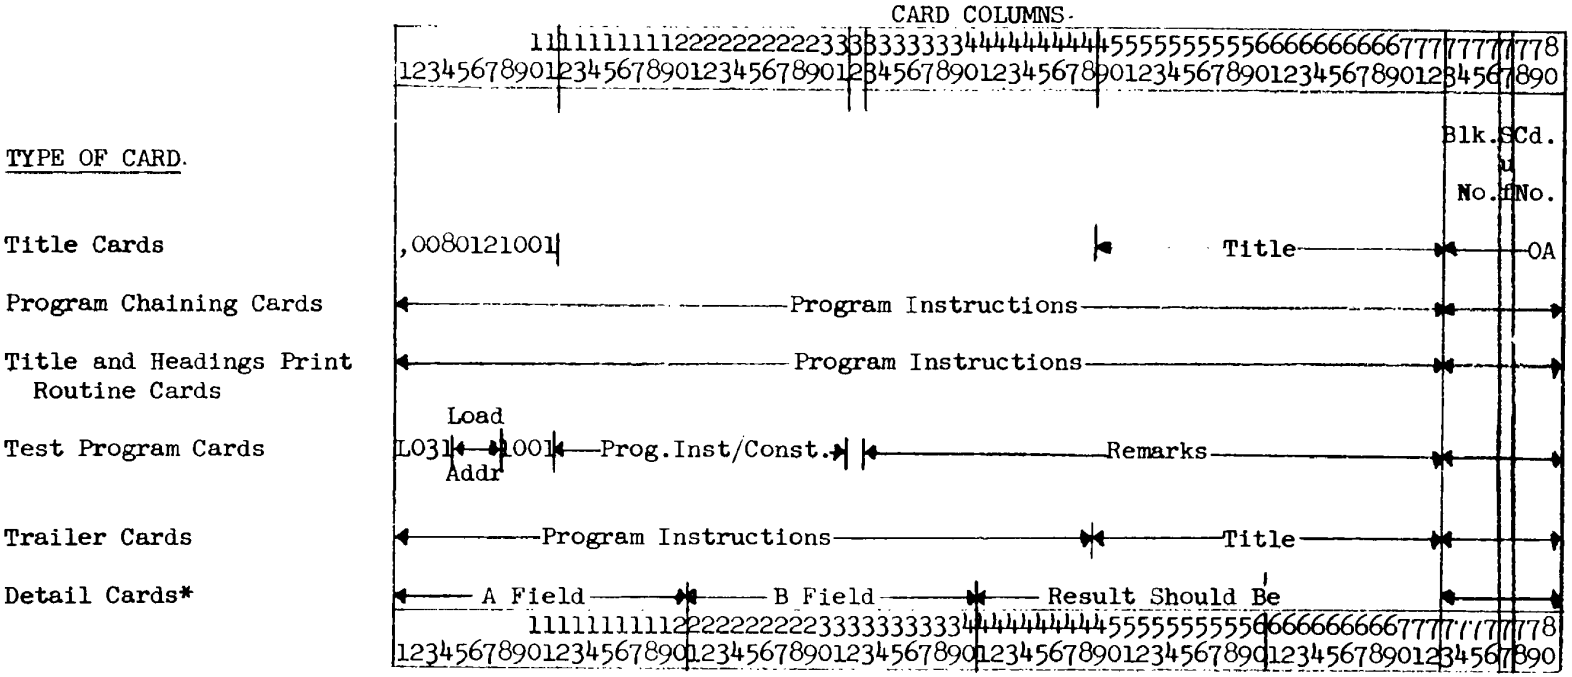
CARD FORMATS

The various types of cards used in the customer engineering test decks are punched in accordance with the following card formats:



NOTE: *Detail Card Format does not apply in those cases where A Field, B Field, and Result Should Be information is not involved. Detail Cards in the Ripple Read Test (Block No. 1040) are punched in columns 1-80 without block numbers and card numbers. The Read-Punch Release Test (Block No. 3500) has 50 detail cards punched with block numbers and card numbers only.
